Second Announcement / Call for Abstracts
ABOUT IOF

The International Osteoporosis Foundation (IOF) is a non-governmental umbrella organization dedicated to the worldwide fight against osteoporosis, the disease known as “the silent epidemic”. IOF’s members – committees of scientific researchers, patient, medical and research societies and industry representatives from around the world – share a common vision of a world without osteoporotic fractures. Launched in 1998 with the merger of the European Foundation for Osteoporosis (EFFO, founded in 1987) and the International Federation of Societies on Skeletal Diseases, IOF now represents 191 societies in 91 locations. IOF, and formerly EFFO, were involved in the successful organization of past international congresses on osteoporosis in Amsterdam, Berlin, Chicago, Lisbon, Rio de Janeiro and Toronto.

ABOUT ESCEO

The European Society for Clinical and Economic Aspects of Osteoporosis and Osteoarthritis (ESCEO) is a non-profit organization, dedicated to a close interaction between clinical scientists dealing with rheumatic disorders, pharmaceutical industry developing new compounds in this field, regulators responsible for the registration of such drugs and health policy makers, to integrate the management of osteoporosis and osteoarthritis within the comprehensive perspective of health resources utilization. The objective of ESCEO is to provide practitioners with the latest clinical and economic information, allowing them to organize their daily practice, in an evidence-based medicine perspective, with a cost-conscious perception.
The joint 2010 meeting of the IOF World Congress on Osteoporosis and the European Congress on Clinical and Economic Aspects of Osteoporosis and Osteoarthritis (IOF WCO-ECCEO10) will bring together for the first time the two leading international meetings in the field of osteoporosis and osteoarthritis.

Osteoporosis and osteoarthritis are among the most disabling conditions of older adults and the elderly. These musculoskeletal diseases respect no boundaries – they affect both men and women, and in all regions of the world represent an immense human, social and economic burden. With the scientific community working at a fast pace to expand knowledge and to develop new clinical practices for the management of these diseases, there is a real need for a congress like the IOF WCO-ECCEO10 – a focused yet comprehensive international congress that brings together the world’s best in the field.

IOF WCO-ECCEO10’s ambitious 4-day scientific programme has been developed by a team consisting of members of the Committee of Scientific Advisors of the International Osteoporosis Foundation (IOF) and the Scientific Advisory Board of the European Society for Clinical and Economic Aspects of Osteoporosis and Osteoarthritis.

Both clinical and basic research in osteoporosis and osteoarthritis will be covered during the Congress. There will be 12 plenary lectures by renowned speakers and a large number of oral presentations that will present cutting-edge research selected from the very best of the submitted abstracts. The Congress will also feature poster sessions and numerous Meet-the-Expert Sessions covering 20 primarily clinically oriented topics. Satellite symposia organised by the pharmaceutical industry and a large commercial exhibition will enhance the scientific programme.

We look forward to welcoming you to the beautiful city of Florence and to a congress which promises to be second to none.
Congress Organisation

Co-organised by IOF – International Osteoporosis Foundation and ESCEO – European Society for Clinical and Economic Aspects of Osteoporosis and Osteoarthritis

Under the auspices of GREES
Group for the Respect of Ethics and Excellence in Science

Important Dates / Deadlines

Abstract submission deadline: February 4, 2010
Early registration: January 15, 2010
Pre-registration: April 2, 2010
CALL FOR ABSTRACTS

Abstract submission deadline: February 4, 2010
Please visit www.iofwco-ecceo10.org to submit your abstract online from November 16, 2009

Please note the following:

● All abstracts must be submitted in English. No hardcopy submissions will be considered.
● The contact profile information at the start of the abstract submission program must be that of the Presenting Author for the abstract and no one else. All correspondence (primarily by e-mail) will be sent to the Presenting Author.
● Abstracts will be published exactly as submitted. Therefore, you should avoid errors and misspellings because these cannot be corrected by the organisers before publication.
● Abstracts may not be withdrawn after February 14, 2010. Written notification must be sent by mail to the IOF Congress Secretariat.
● All abstracts will be subjected to a blind review process by an international panel of recognized experts in the field and the highest ranked abstracts will be selected for oral presentation.
● Authors will be notified by e-mail by February 26, 2010 if their abstract has been accepted and the date, time and form of their presentation.
● Instructions for oral presentation and poster preparation will be e-mailed to the presenters by the IOF Congress Secretariat. Instructions will also be available on www.iofwco-ecceo10.org
● Accepted abstracts will be published in the IOF World Congress on Osteoporosis – ECCEO 10 Program & Abstracts book which is to be published as a supplement to the scientific journal Osteoporosis International.
Theme & Objectives
The joint Congress of the International Osteoporosis Foundation and the European Society of Clinical and Economic Aspects of Osteoporosis and Osteoarthritis is a unique opportunity for clinicians and researchers from around the world to participate in the premiere meeting of 2010 in the field of osteoporosis and osteoarthritis. The Congress will offer an overview of the most recent developments and cutting-edge research in the pathophysiology, diagnosis, prevention and treatment of osteoporosis and osteoarthritis, as well as policy-related issues such as health economics. The Congress is also a singular forum for stimulating interaction, not just for research specialists, but also for practitioners and other health professionals who can profit from the exchange of information provided in numerous Meet-The-Expert sessions.

Target Audience
The scope of the Congress covers all aspects of osteoporosis and related bone diseases. Participants will include rheumatologists, gynaecologists, endocrinologists, internal medicine specialists, orthopaedic surgeons, radiologists, nurses, rehabilitation professionals, public health personnel, epidemiologists, pharmacists, and pharmaceutical industry representatives.

Plenary Sessions
There will be 12 plenary lectures. Each session will be dedicated to a single theme and will feature an invited speaker along with oral communications selected from submitted abstracts. The following topics are planned, with speakers to be announced as soon as they are confirmed:

- Stimulators /inhibitors of Bone Turnover, Together or One After the Other
- Emerging Therapies
- Do Men and Women Fracture at the Same BMD?
- Osteoporosis and Biological Ageing
- Extra Skeletal Effects of Vitamin D
- Region Specific Fracture Risk and Response to Therapy
- Glitazone and Bone: A paradigm to better understand bone physiology
- Why do bones break? Contributions of cortical and cancellous bone to whole bone strength
- What Did We Learn From Genome-wide Association Studies?
- Developmental Plasticity and Later Osteoporosis
- Interaction Between Bone and Joints in Physiology and Disease
- Cellular Control of Bone Mass

Poster Sessions
All submitted abstracts not scheduled for oral presentation will be eligible for poster presentation.

Satellite Symposia
There will be 13 Satellite Symposia, each focused on separate topics.

Meet-The-Expert Sessions
Each day specialists will lead exchanges on 20 key topics. Small groups, on a first come first served basis, will be encouraged to not only ask questions but to also provide feedback about their own experiences. The following topics are planned, with speakers to be announced as soon as they are confirmed:

- Assessing Bone Strength Beyond DXA
- Optimal Dose of Vitamin D
- Muscle and Bone Interaction
- Practical Approach of Glucocorticoid-treated Patients
- Health Economics and Treatment Selection
- BMU Balance: Effects of antiosteoporotic agents
- Premenopausal Osteoporosis
- Bone Mass/structure Measurements During Growth
- Bone Disease in Primary Hyperparathyroidism
- Bisphosphonates in Chronic Renal Failure
- Pharmaco-genomics
- Vertebro/kyphoplasty
- Issues in Designing and Conducting Clinical Trials
- Osteoporosis in Men
- Post-fracture Management
- Fracture Healing: Can we influence it?
- Genetics and Osteoporosis: How to assess it?
- Side Effects of Anti Fracture Drugs
- Developmental Origins of Osteoporotic Fracture
- Gait and Falls
Wednesday, May 5

14.00-15.30
Satellite Symposia x 2

16.00-17.30
Satellite Symposia x 2

18.00-19.15
ESCEO-IOF/Servier Achievement Award
Pierre Delmas Honorary Lecture

19.15-20.00
Welcome Reception

Thursday, May 6

8.30-10.45 SESSION I
Chairs: C. Cooper, E. Lau
- Plenary Lecture 1: Cellular Control of Bone Mass, R. Baron (USA)
- Award Ceremony: ESCEO-Amgen Fellowships
- Plenary Lecture 2: Osteoporosis and Biological Aging, S. R. Cummings (USA)
- Oral Communications (5)

10.45-11.05 Break

11.05-12.05
Meet-the-Expert Sessions
- Assessing Bone Strength Beyond DXA, C. Glueer (Germany)
- Optimal Dose of Vitamin D, B. Dawson-Hughes (USA)
- Muscle and Bone Interaction, D. Felsenberg (Germany)
- Practical Approach of Glucocorticoid-treated Patients, J. Adachi (Canada)
- Health Economics and Treatment Selection, J.Y. Reginster (Belgium)
- BMU Balance: Effects of antiosteoporotic agents, J. Compston (UK)
- Premenopausal Osteoporosis, U. Liberman (Israel)
- Fracture Healing: Can we influence it?, J. Goldhahn (Switzerland)
- Bone Disease in Primary Hyperparathyroidism, J.P. Bilezikian (USA)
- Bisphosphonates in Chronic Renal Failure, S. E. Papapoulos (NL)

11.05-12.05
ESCEO Session
- Dermatological side effects of antiosteoporosis medications

12.15-13.15
Meet-the-Expert Sessions
- Pharmaco-genomics, M.L. Brandi (Italy)
- Vertebro/kyphoplasty, S. Boonen (Belgium)
- Issues in Designing and Conducting Clinical Trials, S. R. Cummings (USA)
- Osteoporosis in Men, E. Seeman (Australia)
- Post-fracture Management, K. Akesson (Sweden)
- Bone Mass/structure Measurements During Growth, R. Rizzoli (Switzerland)
- Genetics and Osteoporosis: How to assess it?, S. Ferrari (Switzerland)
- Side Effects of Anti Fracture Drugs, S. Adami (Italy)
- Developmental Origins of Osteoporotic Fracture, C. Cooper (UK)
- Gait and Falls, T. Masud (UK)

13.15-13.35 Break

13.15-14.00 Poster Session

13.15-14.45
Satellite Symposia x 2

14.45-15.30 Poster Session

15.45-17.45 SESSION II
Chairs: R. Rizzoli, P. Miller
- Plenary Lecture 3: Why do bones break? Contributions of cortical and cancellous bone to whole bone strength, M. L. Bouxsein (USA)
- Plenary Lecture 4: Olof Johnell Memorial Lecture Do Men and Women Fracture at the Same BMD?, J.A. Kanis (UK)
- Oral Communications (5)

17.45-18.15 Break

18.15-19.45
Satellite Symposia x 2

Friday, May 7

8.30-10.45 SESSION III
Chairs: B. Dawson-Hughes, G. Riera Espinoza
- Plenary Lecture 5: Region Specific Fracture Risk and Response to Therapy, E. Seeman (Australia)
- Award Ceremony: IOF Medal of Achievement & IOF Pierre Delmas Award

</table>
You may register either online (www.iofcweccoe10.org) or by completing and faxing/mailing the registration form on page 9 to the Congress Secretariat.

The registration fee entitles the registered participant to the following:
- an official badge for the Congress
- a meeting bag containing official program material
- one copy of the Program & Abstract book
- admission to all plenary sessions, satellite symposia, poster sessions and exhibits
- Welcome cocktail
- Certificate of attendance

Any person attending any function of the Congress will be required to register and wear an appropriate badge while in attendance.

Accompanying Person
A badge for one accompanying person per registered participant may be requested at no additional charge. This badge includes admission to the Welcome Cocktail but does not allow access to the scientific program, poster sessions and exhibition area.

Cancellation & Refund Policies
Notification of cancellation and refund requests must be submitted in writing by February 15, 2010 to the Congress Secretariat. An administrative fee of 20% will be deducted from the total amount originally due/charged. No refunds will be granted for cancellations received after February 15, 2010. All refunds will be made after the Congress.

Badge Name Changes
An administrative fee of 65 € per badge will be charged for a badge name change after January 16, 2010. Blank badges are not allowed.

Lost Badge
In case of a lost badge, an administrative fee of 65 € will be charged for the reprint of the badge.

Passport & Entry Visa
Participants are strongly advised to make sure they fulfil all legal requirements to enter Italy. Besides a valid passport, an entry visa may also be required. Please check with your nearest Italian consulate or embassy. Official letters of invitation for entry visas will be supplied upon request to the IOF Congress Secretariat (see registration form). Please allow sufficient time for this procedure. Note that such letters do not commit IOF or ESCEO to any kind of financial support, hosting arrangement, nor does it guarantee an entry visa issue.

Forms of Payment
- Credit Card: Congress Secretariat only accepts VISA and MASTERCARD
- (we do not accept American Express)
- Direct Bank Transfer: Please e-mail the Congress Secretariat at info@iofbonehealth.org for details

Registration Fee Definitions
- Non-Member – Those persons for which the definitions below of IOF Member and Student/Fellow are not applicable.
- IOF Member – A member of either the IOF’s Board, or Committee of Scientific Advisors, or Committee of National Societies, or a member of one of IOF’s national societies (for a complete and current list, please visit our website at www.iofbonehealth.org), or the IOF representative in the Committee of Corporate Advisors.
- Student/Fellow – (i) Those persons who are in training as a graduate (MSc/PhD) student or as a medical student or (ii) those persons who hold MD or PhD degrees and who are in residency or post-graduate fellowship programs. A certification and signature from their mentor verifying their training status must be included on the registration form.

Group registrations
For information about group registration, please contact the Congress Secretariat at info@iofbonehealth.org. Please note that no registration will be made without full personal contact details for each participant and the corresponding payment. Blank registrations are not allowed.

Liability and Insurance
The Congress organisers cannot accept liability for personal injuries, loss or damage to property belonging to Congress delegates (or their accompanying persons), either during or as a result of the Congress. Please check the validity of your own insurance.

Cancellation or Modification of the Congress due to Force Majeure
In case of force majeure, the Congress organisers have the right to alter or cancel the Congress without prior notice, however a notice of the occurrence shall be given by IOF or ESCEO as soon as reasonably possible. Force majeure shall mean any circumstance beyond the reasonable control of IOF or ESCEO which prevents or impedes the holding of the Congress, including, but not limited to, government action, war or hostilities, riot or civil commotion, plague or other epidemic such as SARS, bird flu, etc., earthquake, flood, hurricane, cyclone, fire or other natural physical disaster, explosion, accident or breakdown, strike, lack of the usual means of transportation or terrorism. IOF and ESCEO shall not be liable for any direct or indirect, incidental or consequential damages, losses, expenditures or any other inconveniences or costs caused by such modification or cancellation of the Congress. Furthermore, registration fees will not be reimbursed by IOF or ESCEO.

Disclaimer
All reasonable endeavors will be made to hold the World Congress on Osteoporosis and to present its program as scheduled under circumstances which assure the comfort and safety of all participants and their guests. However, neither the IOF nor ESCEO, nor their officers, directors, employees, representatives or agents, shall be held liable by any person as a result of the cancellation of the World Congress on Osteoporosis or any of the arrangements, programs or plans connected therewith, or for any injury, damage or inconvenience which may be suffered by any person while travelling to or from, or during such person’s presence in Italy in connection with this Congress. Participants and their guests are advised to purchase their own insurance against any such occurrences.
EARLY AND PRE-REGISTRATION FORM

● Deadline for submission of this form: April 2, 2010
● To register online and pay with credit card, please visit our website: www.iofwco-ecceo10.org
● Credit card payment information or proof of direct bank transfer must accompany this form completed in full in order to be processed. Registrations will only be processed with payments made in Euros.
● Registrations will be considered as valid when the payment and the registration form are received.
● This form is for ONE registration only. For additional registrations, please photocopy this form. If you are registering by fax, please do not send any hard copy.

Mail or fax this registration form to:
IOF Congress Secretariat, 9 rue Juste-Olivel, CH-1260 Nyon, Switzerland, Fax: +41 22 994 01 01
By completing and submitting this form you acknowledge that you have read and accepted the general registration information on page 8.

Clearly PRINT or TYPE your name exactly as it should appear on your badge.
